The following pupils are now in attendance at various high schools with their tuition paid by the school district: Helen Fisher, George McKinnon, Virginia Ball, Eugene Hodgkins, Glendon Grover, Leon Hickey, Beverly Miles, Shirley Moulton, Victorine Stuart, and Arthur Parks, Groveton High School; Donald Fogg and Lorraine Bickford, Berlin High School; Murray Rogers, Edward Little High, Auburn, Maine.

A record of perfect attendance was achieved by the following pupils at Groveton High School, Stark Village School, and Crystal School: Victorine Stuart, George McKinnon, Marcia Gadwah, Zanita Pepau, Sylvia Dion, Leona Hickey, Harvey Barselau, Clark Wentworth, Jerome Fogg, Rachel McKinnon, Donald Fogg.

Our teaching staff of Mrs. Urania House, Mrs. Winifred Hart, and Mrs. Maud Sanderson returned to their respective positions after enjoying a profitable summer at Plymouth Teachers College. This professional training was further supplemented by an in-service training program in elementary education conducted at Groveton by the State Department of Education, under the supervision of Dr. Gertrude M. Lewis. This intensive course gave us a real understanding of the purposes of social edu-

TOWN OF STARK

cation and a professional zeal for greater participation in the preparation of our youth for democratic living.

The interior of the Stark Village School was painted and several minor repairs were made.

New textbooks and workbooks were purchased for our reading and social science programs so that we are now completely supplied with the most up-to-date editions.

Miss Florence Wheeler, R. N. reports that individual vision and dental corrections were accomplished, but that due to the illness of Dr. Haines the dental clinics scheduled for May and June had to be cancelled. An effort was made to procure the State Dental Trailer this year, although it came as near as Milan, Stark was unable to get this service. Plans have been made to extend the health program by securing the services of a school physician.

The school board should be commended for its far-sighted policy of granting \$100.00 to our teachers for summer school attendance and for their efforts to increase the educational standards of our schools.

Respectfully submitted,

DAVID APPLETON,

Superintendent of Schools.
